MANAGEMENT DISCUSSIONS AND ANALYSIS

Business Background

PCS Technology Ltd has earlier operated in the domestic IT sector by providing maintenance of desk top computers and peripherals like printers, networking equipment, etc. and to some extent has provided facility management services in the IT segment.

Due to original equipment suppliers enhancing after sales warranty period higher than in the past and due to rapid technological changes in the IT equipment have resulted in reduced opportunities in the company's line of computer hardware maintenance business.

Performance & Review of existing business

IT and FMS Services

In view of the above scenario, the company did not enter in its existing line of business. The Company however, preferred to preserve its financials and with this view, had parked funds with the Banks in term deposits to derive income. The Company, in the current year earned revenue amounting to Rs 421.13 (Previous year Rs 480.73 Lacs) and Profit before Exceptional Items amounting to Rs 128.23 Lacs (Previous year Rs 94.22 Lacs). The Company has maintained positive level of profitability by cutting down various costs and proper utilization of funds.

Opportunities, Threats & Risks

The Company at an opportune time will look into new plans, till then the present scenario may not see changes.

Future Outlook

The Management will put in efforts to look for new opportunities which can add into its Financials. Till the Management arrives at a conclusion, the Company proposes to continue to generate income by investing its surplus funds in safer manner to serve its stake holders. Your Company is taking all measures to remain financially stable and cost efficient.

Overseas Subsidiaries

PCS Technology USA, Inc.

PCS Technology USA Inc., one of the wholly owned subsidiary of the company stands dissolved and its existence comes to an end on the 18th December 2019.

Indian Subsidiary

PCS Positioning Systems (India) Limited

The subsidiary did not involve in business.

PCS Infotech Limited

The subsidiary did not involve in business.

The management is evaluating various options to restructure the base in the best interest of the Company.

Internal Control and Adequacy

The Company has an appropriate internal control system commensurate to the size of business process and operations, financial reporting and compliance with applicable regulations and laws and to ensure that all the assets are safeguarded, protected against loss from unauthorised use or disposition and those transactions are authorised, recorded and reported correctly.

The internal audit & financial reports are reviewed for corrective actions wherever required. The views of statutory auditors are also considered to ascertain the adequacy of the internal control system in the Company.

Human Resources

The Company has retained requisite resources to safeguard company's assets and to adhere legal compliances as per requirement. Your Directors acknowledge and thank employees for their continued contribution.

THIRTY NINTH ANNUAL REPORT 2019-2020

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PCS TECHNOLOGY LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion:

We have audited the accompanying Standalone financial statements of PCS TECHNOLOGY LIMITED ("the Company") which comprise the standalone Balance Sheet as at March 31, 2020, the Standalone Statement of Profit and Loss (Including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

SR NO	KEY AUDIT MATTER	AUDIT PROCEDURE
1	IND AS 115- REVENUE FROM CONTRACTS WITH CUSTOMERS	
	The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date. Refer Note 2.(D) to the Standalone Financial Statements	We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: 1. Evaluated the design of internal controls relating to implementation of the new revenue accounting standard. 2. Tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price.

		<p>3. Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard.</p> <p>4. On selected samples of contracts, we tested that the revenue recognized is in accordance with the accounting standard by –</p> <p>a) Evaluating the identification of performance obligation;</p> <p>b) Testing management's calculation of the estimation of contract cost and onerous obligation, if any</p>
		<p>We:</p> <ul style="list-style-type: none"> Observed that the estimates of cost to complete were reviewed and approved by appropriate levels of management; Performed a retrospective review of costs incurred with estimated costs to identify significant variations and verify whether those variations have been considered in estimating the remaining costs to complete the contract; Assessed the appropriateness of work in progress (contract assets) , if any, on balance sheet by evaluating the underlying documentation to identify possible delays in achieving milestones which may require change in estimated costs to complete the remaining performance obligations; and Performed test of details including analytics to determine reasonableness of contract costs The operations for IT and IT enabled Services is much lower as compared to previous years due to the management decisions. The operational income from these IT and ITeS is not exceeding the Interest Income that is generated from Investment in Bonds and Other Securities.
	IND AS 109- FINANCIAL INSTRUMENTS	

PCS TECHNOLOGY LIMITED

The application of this Accounting Standard involves identification, valuation and reporting of financial assets and financial liabilities that will present relevant and useful information to users of financial statements	Our audit procedures included:
The most significant areas are:	1. Evaluation of the appropriateness of procedure of the identification and classification by the Company
1. Preference Share Capital	2. Assessed the measurement and valuation done by the company of the above identified assets and liability
2. Security Deposits	3. Evaluation of the impact of above transactions in the financial statements of the Company
3. Impairment of Bonds	4. Evaluated the appropriateness of the impairment principles based on the requirements of Ind AS 109
	5. We obtained an understanding of the management's processes, systems and controls implemented in relation to impairment allowance process.
	6. Assessed the design and implementation of key internal financial controls over loan impairment process used to determine the impairment charge.
	7. We used our internal specialist to test the model methodology and reasonableness of assumptions used.
	8. We tested the management review controls over measurement of impairment allowances and disclosures in financial statements.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in audit or otherwise appears to be materially misstated. If, based on work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the Standalone IND AS financial statements, including the disclosures, and whether the Standalone IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- 1) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- 2) In our opinion, proper books of account as required by law have been kept by Company so far as it appears from our examination of those books.
- 3) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- 4) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- 5) On the basis of written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.

6) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at 31 March 2020 on its financial position in its standalone financial statements -Refer Note 30 to the standalone financial statements.
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and

(C) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets, by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified during the year and no material discrepancies were noticed on such verification
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties included in property, plant and equipment are held in the name of the Company in respect of immovable properties taken on lease and disclosed as right-of-use-assets in the standalone financial statements, the lease agreements are in the name of the Company.
2. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The Company has maintained proper records of inventory. The discrepancies noticed on verification physical stock and book records were not material.
3. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.
4. The Company has not directly or indirectly advanced loan to the persons covered under section 185 of the Act or given guarantees or securities in connection with the loan taken by such persons. The Company has not made any investments or given any loan or any guarantee or security in connection with the loan to any person or body corporate covered under Section 186 of the Act during the year and has complied with the provisions of Section 186 of the Act, in respect of investments, loans, guarantee or security outstanding at the year end.
5. The Company has not accepted any deposits from the public within the meaning of the directives issued by Reserve bank of India and under provision of section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.
6. The Central Government has not prescribed the maintenance of cost records under Section 148 of the Act for any of the services rendered by the Company.
7. In respect of Statutory dues :
 - (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amount deducted /accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees' State Insurance, Income-tax, Goods and Services tax, duty of Customs, Cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees' State Insurance, Income tax, Goods and Services tax, duty of Customs, Cess and other material statutory dues were in arrears as at 31 March 2020, for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us, there are no dues of Income-tax or Sales tax or Service tax or Goods and Services tax or duty of Customs or duty of Excise or Value added tax which have not been deposited by the Company on account of disputes, except for the following

Nature of Statute	Nature of Dues	Forum where Dispute is pending	Period to which the amount relates	Amount
Custom Act, 1962	Custom Duty	Commissioner of Central Excise, Chennai	F.Y. 2006-07	2,15,40,551
Foreign Trade (Development and Regulation) Act, 1992	Export/ Import Duty	Director General Foreign Trade	F.Y. 2001-02 to F.Y. 2003-04	9,50,074

8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The company did not have any outstanding loans or borrowings from financial institutions or government and there are no dues to debenture holders during the year.
9. In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company
10. To the best of knowledge and according to information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
11. In our opinion and according to the information and explanations given to us and based on examination of the records of the Company, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. According to the information and explanations given to us, in our opinion, the Company is not a Nidhi Company as prescribed under Section 406 of the Act. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
13. According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company
15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
16. To the best of our knowledge and as explained, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditors' Report

Annexure B to the Independent Auditors' Report on the standalone financial statements of PCS TECHNOLOGY LIMITED

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 1(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the Internal Financial Controls over financial reporting of PCS TECHNOLOGY LIMITED ("the Company") incorporated in India as at 31st March, 2020 in conjunction with our audit of the Standalone financial statements of the Company for the year ended as at on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management Responsibility for the Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such Financial Controls, assessing the risk that material weakness exists, and the testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

THIRTY NINTH ANNUAL REPORT 2019-2020

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

1. CORPORATE INFORMATION

The Company is incorporated as at 22nd April 1981. The Company is engaged mainly in IT and related FMS services. The Company has now applied for NBFC license. The Company is a public limited company incorporated and domiciled in India. The address of the office is 82/6/1, Solar Park, Shop no.6, Pune-Alandi Road, Dattanagar, Dighi- Pune-411015. The financial statements of the Company for the year ended 31st March 2020 are approved by the Board of Directors in Board Meeting.

2. SIGNIFICANT ACCOUNTING POLICIES

(A) Statement of Compliance

(i) In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "IndAS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from 1 April, 2017. Previous periods have been restated to IndAS. The standalone financial statements as at and for the year ended 31 March 2020 are approved and authorized for issue by the Board of Directors on 22nd June 2020.

The standalone financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial assets and financial liabilities that have been measured at fair value. These standalone financial statements are presented in lakhs of Indian rupees which is also the Company's functional currency, except per share data and as otherwise stated. Figures for the previous years have been regrouped/rearranged wherever considered necessary to conform to the figures presented in the current year.

These financial statements have been prepared in accordance with IndAS as notified under the Companies (Indian Accounting Standards) Rule, 2015 read with Section 133 of the Companies Act, 2013.

(B) Basis of preparation

These financial statements have been prepared on the historical cost basis, except for

- (i) certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.
- (ii) Defined benefit plans - plan assets measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(C) Use of estimates and judgements

The preparation of these financial statements in conformity with the recognition and measurement principles of IndAS requires the management of the Company to make estimates and assumptions that affect the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities.

Dividend Declaration

Dividend on Preference Shares has been declared by the company on the basis of sec 123 of the companies act 2013.

Impairment of investments

The Company reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

The company in total has invested aggregating to Rs. 2204.85 lacs in bonds in the earlier years(31st March 2019). However, due to external factors arising during the quarter ending 30th September 2019, 31st December 2019 and 31st March 2020 there is a sharp decline in the market price / realisable value of some of its investments. There is a foreseeable possibility of realising an amount (recoverable amount) much lower than carrying value. On the grounds of such external factors , the excess of carrying value over recoverable amount of Rs 328.15 lacs for their quarter ended 30th September 2019 , and Rs 27.20 lacs for the quarter ended 31st December 2019 and Rs 124.44 lacs for the quarter ended 31st March 2020 totalling to Rs 479.79 lacs for the year ended 31st March 2020 is accounted as "Exceptional item". Exceptional items for the year ended 31st March 2019 includes loss of Rs 200 lacs on intercorporate deposit on the basis of management assessment.

Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. A deferred tax asset shall be recognised for all deductible temporary differences and unused losses to the extent that it is probable that taxable profit will be available against which the deductible temporary difference and unused losses can be utilised.

Provisions and contingent liabilities

A provision is required when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

CSR Provisions

The company is not required to make CSR provision for the year ended 31st March 2020 as per the provisions of the sec 135(5) of the companies act 2013.

The COVID -19 pandemic is rapidly spreading throughout the world. The operations of the Company were impacted, due to shutdown of offices following nationwide lockdown by the Government of India. The Company shall resume operations in a phased manner as per directives from the Government of India. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at 31st March 2020. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.

PCS TECHNOLOGY LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

(D) Revenue recognition

The Company earns revenue primarily from providing information technology and consultancy services, including services under contracts for software development, implementation and other related services, licensing and sale of its own software, business process services and maintenance of equipment. The Company also sales the products ancillary to supply of above services.

The Company recognises revenue as follows:

Revenue from sale of services is recognized for the work completed in terms of the contract. Income from maintenance contracts is recognized on a time proportionate basis.

Revenue from sale of products is recognized when risk and reward are passed on to the customer which is generally on dispatch of goods.

Revenues is reported net of discounts, indirect and service taxes.

(E) Dividend income is recorded when the right to receive payment is established. Interest income is recognised using the effective interest method.

(F) Leases

No assets are taken on lease by the Company.

(G) Cost recognition

Costs and expenses are recognised when incurred and have been classified according to their nature.

The costs of the Company are broadly categorised in employee benefit expenses, depreciation and amortisation and other operating expenses. Employee benefit expenses include employee compensation, allowances paid, contribution to various funds and staff welfare expenses. Other operating expenses mainly include fees to external consultants, cost of running its facilities, travel expenses, cost of equipment and software licenses, communication costs, allowances for delinquent receivables and advances and other expenses. Other expenses is an aggregation of costs which are individually not material such commission and brokerage, recruitment and training, entertainment etc.

(H) Foreign currency

The functional currency of the Company is Indian Rupee (INR).

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit & Loss.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

(I) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and Deferred taxes are recognised in Statement of Profit & Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income taxes

The current income tax expense includes income taxes payable by the Company and its branches in India and overseas. The current tax payable by the Company in India is Indian income tax payable on worldwide income.

Advance taxes and provisions for current income taxes are presented in the Balance Sheet after off-setting advance tax paid and income tax provision arising in the same jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred income taxes

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and

liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

(J) Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

(K) Investment in subsidiaries

Investment in subsidiaries are measured at cost less impairment.

(L) Property, plant and equipment

Pursuant to Para D5 of Ind AS 101, the company has exercised option to consider fair value on the date of transition as deemed cost for buildings. Rest all other assets are accounted as per Ind AS.

Depreciation is provided for property, plant and equipment so as to expense the cost over their estimated useful lives based on a technical evaluation.

THIRTY NINTH ANNUAL REPORT 2019-2020

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

SN	Type of asset	Method	Useful lives
1	Buildings	Straight line	60 years
2	Leasehold improvements	Straight line	38 years
3	Plant and equipment	Straight line	15 years
4	Computer equipment	Straight line	03 years
5	Vehicles	Straight line	08 years
6	Office equipments	Straight line	05 years
7	Electrical installations	Straight line	10 years
8	Furniture and fixtures	Straight line	10 years

Assets held under finance lease are depreciated over the shorter of the lease term and their useful lives.

(M) Intangible assets

Intangible assets purchased are measured at cost as of the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

(N) Impairment

Financial assets (other than at fair value)

The Company assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. IndAS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Financial assets (other than at fair value)

Tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (of CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (of CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

(O) Employee benefits

Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Statement of Profit & Loss for the period in which they occur. Past service cost both vested and unvested is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

Defined contribution plans

Contributions to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the Balance Sheet date.

(P) Inventories

In view of nature of business of the company, it does not have any inventory of stock & spares as on year ended 31st March 2019 hence provision of clause 3(II) of the order are not applicable.

(R) Borrowing costs:

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of cost of such asset till such time as the asset is ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(S) Foreign currency transactions:

Functional and presentation currency: The standalone financial statements are presented in Indian Rupees, which is also the functional currency of the Company. **Foreign currency transactions and balances:** Foreign currency transactions are translated into the functional currency of the Company, using the exchange rates prevailing at the dates of the transactions, duly approximated. Foreign exchange gains and losses resulting from the settlement of such transactions and from the measurement of monetary items denominated in foreign currency at year-end exchange rates are recognized as other income in statement of profit and loss. Non-monetary items are not re-translated at yearend and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined

(T) Earnings per share

Basic earnings per share are computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The Company did not have any potentially dilutive securities in any of the years' presented.

Diluted earnings per share are computed by dividing net profit net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares unless the results would be anti - dilutive. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Contributed equity:

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds

(U) Exceptional Items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the company is such that its disclosure improves the understanding of the performance of the company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

i) Asset volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk. The Company has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The Company intends to maintain the above investment mix in the continuing years.

There were no transfers between any levels during the year:

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing net assets value (NAV).

Level 2:

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- i) the use of quoted market prices or dealer quotes for similar instruments
- ii) the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- iii) the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date
- iv) the fair value of foreign currency option contracts is determined using the Black Scholes valuation model.
- v) the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2.

c) Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO).

d) Fair value of financial assets and liabilities measured at amortised cost

Particulars	As at March 31, 2020		As at March 31, 2019	
	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets:				
Loans to subsidiary companies	-	-	-	-
Loans to Employees	-	-	-	-
Total financial assets	-	-	-	-
Financial liabilities				
Security deposits	2,550,000	2,474,738	2,550,000	2,270,403
Directors Loan	-	-	-	-
Preference Shares	39,750,000	37,477,428	39,750,000	37,178,104
Total financial liabilities	42,300,000	39,952,166	42,300,000	39,448,507

The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Independent Auditor's Report to the members of PCS Positioning Systems (India) Limited

Report on the Audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of **PCS Positioning Systems (India) Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2020 and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020 and loss for the year ended on that date.

Basis for Opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. My responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, including Annexures to Board's Report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143 (11) of the Act, I give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNUAL REPORT 2019-2020

PCS POSITIONING SYSTEMS (INDIA) LTD.

2. As required by Section 143(3) of the Act, based on my audit, I report that:

- (a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
- (b) In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
- (c) The Balance Sheet and the Statement of Profit and Loss, dealt with by this Report are in agreement with the books of account.
- (d) In my opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to Independent Auditor's Report to the members of PCS Positioning Systems (India) Limited on the financial statements for the year ended 31st March 2020 – referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of my report of even date.

In term of the Companies (Auditor's Report) Order, 2016 ("the Order"), on the basis of information and explanation given to me and the books and records examined by me in the normal course of audit and such checks as I considered appropriate, to the best of my knowledge and belief, I state as under:

1. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets. The fixed assets have been physically verified by the management at reasonable intervals and no material discrepancies have been noticed on such verification. The title deeds of all immovable properties are held in the name of the Company
2. In view of the nature of business of the Company, it does not have any inventories and hence the provisions of clause 3(ii) of the Order are not applicable to the Company.
3. The Company has not granted any loan, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered

in the register maintained under section 189 of the Companies Act, 2013 and hence the provisions of clause 3(iii) of the Order are not applicable to the Company.

4. The Company has not granted any loans, or made any investments, or provided any guarantees or security to the parties covered under section 185 and section 186 of the Companies Act, 2013 and hence the provisions of clause 3(iv) of the Order are not applicable to the Company.
5. The Company has not accepted any deposits within the meaning of section 73 to 76 of the Companies Act, 2013 and the Rules framed thereunder and hence the provisions of clause 3(v) of the Order are not applicable to the Company.
6. The Central Government has not prescribed maintenance of cost records under section 148(1) of the Companies Act, 2013 for the activities of the Company.
7. The Company is generally regular in depositing undisputed statutory dues including income tax and other statutory dues with the appropriate authorities. No payments were due in respect of provident fund, employee's state insurance, sales tax, service-tax, duty of customs, duty of excise, value added tax, goods and service tax and cess. There are no undisputed amounts payable in respect of such statutory dues which were in arrears as at 31st March 2020 for a period of more than six months from the date they become payable.

There are no dues of income tax, sales tax, service tax, duty of customs, duty of excise or value added tax, goods and service tax, which have not been deposited on account of disputes.
8. The Company does not have any borrowings from financial institutions or bank or Government or by way of debentures and hence the provisions of clause 3(viii) of the Order are not applicable to the Company.
9. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence the provisions of clause 3(ix) of the Order are not applicable to the Company.
10. No fraud on or by the Company has been noticed or reported during the course of my audit.
11. The Company has not paid/provided any managerial remuneration and hence the provisions of clause 3(xi) of the Order are not applicable to the Company.
12. The Company is not a Nidhi Company and hence the provisions of clause 3(xii) of the Order are not applicable to the Company.
13. All transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 and the details have been disclosed in the financial statements etc. as required by the applicable accounting standards.
14. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence the provisions of clause 3(xiv) of the Order are not applicable to the Company.
15. The Company has not entered into any non-cash transactions with directors or persons connected with them and hence the provisions of clause 3(xv) of the Order are not applicable to the Company.
16. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and hence the provisions of clause 3(xvi) of the Order are not applicable to the Company.

14 EMPLOYEE BENEFIT OBLIGATIONS

Gratuity

Every Employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972 or Company scheme whichever is beneficial. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service. However, the Company do not have any employee on employment basis. Therefore all disclosures associated with employee benefit obligations are not applicable.

15 Fair Value Measurement

Fair Value Hierarchy

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. There are no financial assets and liabilities which needs to be measured at amortised cost.

There were no transfers between any of the following levels during the year:

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing net assets value (NAV).

Level 2:

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date
- the fair value of foreign currency option contracts is determined using the Black Scholes valuation model.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2.

c) Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO).

d) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

16 CAPITAL MANAGEMENT

Risk management

The primary objective of the Company's Capital Management is to maximise shareholder value. The Company monitors capital using Debt-Equity ratio, which is total debt divided by total capital.

For the purposes of the Company's capital management, the Company considers the following components of its Balance Sheet to be managed capital:

Total equity as shown in the Balance Sheet includes General reserve, Retained earnings, Share capital, Security premium. Total debt includes current debt plus non-current debt.

PCS INFOTECH LIMITED

Independent Auditor's Report to the members of PCS Infotech Limited

Report on the Audit of the Financial Statements

Opinion

I have audited the accompanying financial statements of **PCS Infotech Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2020 and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020 and profit for the year ended on that date.

Basis for Opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. My responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, including Annexures to Board's Report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing,

as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, I give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on my audit, I report that:
- I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
 - In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
 - The Balance Sheet and the Statement of Profit and Loss, dealt with by this Report are in agreement with the books of account.
 - In my opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - On the basis of the written representations received from the directors as on 31st March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
 - The Company does not have any pending litigations which would impact its financial position;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to Independent Auditor's Report to the members of PCS Infotech Limited on the financial statements for the year ended 31st March 2020 – referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of my report of even date.

In term of the Companies (Auditor's Report) Order, 2016 ("the Order"), on the basis of information and explanation given to me and the books and records examined by me in the normal course of audit and such checks as I considered appropriate, to the best of my knowledge and belief, I state as under:

- The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets. The fixed assets have been physically verified by the management at reasonable intervals and no material discrepancies have been noticed on such verification. The title deeds of all immovable properties are held in the name of the Company
- In view of the nature of business of the Company, it does not have any inventories and hence the provisions of clause 3(ii) of the Order are not applicable to the Company.
- The Company has not granted any loan, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies

Act, 2013 and hence the provisions of clause 3(iii) of the Order are not applicable to the Company.

- The Company has not granted any loans, or made any investments, or provided any guarantees or security to the parties covered under section 185 and section 186 of the Companies Act, 2013 and hence the provisions of clause 3(iv) of the Order are not applicable to the Company.
- The Company has not accepted any deposits within the meaning of section 73 to 76 of the Companies Act, 2013 and the Rules framed thereunder and hence the provisions of clause 3(v) of the Order are not applicable to the Company.
- The Central Government has not prescribed maintenance of cost records under section 148(1) of the Companies Act, 2013 for the activities of the Company.
- The Company is generally regular in depositing undisputed statutory dues including income tax and other statutory dues with the appropriate authorities. No payments were due in respect of provident fund, employee's state insurance, sales tax, service-tax, duty of customs, duty of excise, value added tax, goods and service tax and cess. There are no undisputed amounts payable in respect of such statutory dues which were in arrears as at 31st March 2020 for a period of more than six months from the date they become payable.
There are no dues of income tax, sales tax, service tax, duty of customs, duty of excise or value added tax, goods and service tax, which have not been deposited on account of disputes.
- The Company does not have any borrowings from financial institutions or bank or Government or by way of debentures and hence the provisions of clause 3(viii) of the Order are not applicable to the Company.
- The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence the provisions of clause 3(ix) of the Order are not applicable to the Company.
- No fraud on or by the Company has been noticed or reported during the course of my audit.
- The Company has not paid/provided any managerial remuneration and hence the provisions of clause 3(xi) of the Order are not applicable to the Company.
- The Company is not a Nidhi Company and hence the provisions of clause 3(xii) of the Order are not applicable to the Company.
- All transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 and the details have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence the provisions of clause 3(xiv) of the Order are not applicable to the Company.
- The Company has not entered into any non-cash transactions with directors or persons connected with them and hence the provisions of clause 3(xv) of the Order are not applicable to the Company.
- The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and hence the provisions of clause 3(xvi) of the Order are not applicable to the Company.

Notes to financial statements for the year ended 31 March 2020

1 Basis of preparation:

The Company is incorporated on 5th December 2012 as a wholly owned subsidiary of PCS Technology Limited.

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "IndAS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from 1 April, 2017. Previous periods have been restated to IndAS.

These financial statements have been prepared in accordance with IndAS as notified under the Companies (Indian Accounting Standards) Rule, 2015 read with Section 133 of the Companies Act, 2013.

2 Significant Accounting Policies:

A Revenue recognition:

Revenue is recognised as per the provisions of the Indian Accounting Standards 18 on "Revenue Recognition" issued by Institute of Chartered Accountants of India and the provisions of The Companies Act, 2013

B Taxes on income:

Tax expenses comprise current tax and deferred tax charges or release. Deferred tax is recognized on timing difference subject to consideration and prudence, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent period.

C Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be outflow of resources. Contingent Liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

22 EMPLOYEE BENEFIT OBLIGATIONS

Gratuity

Every Employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972 or Company scheme whichever is beneficial. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service. However, the Company do not have any employee on employment basis. Therefore all disclosures associated with employee benefit obligations are not applicable.

23 Fair Value Measurement

Fair Value Hierarchy

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. There are no financial assets and liabilities which needs to be measured at amortised cost.

There were no transfers between any of the following levels during the year:

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted price. The fair value of all equity instruments which are

traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing net assets value (NAV).

Level 2:

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- i) the use of quoted market prices or dealer quotes for similar instruments
- ii) the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- iii) the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date
- iv) the fair value of foreign currency option contracts is determined using the Black Scholes valuation model.
- v) the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2.

c) Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO).

d) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

24 CAPITAL MANAGEMENT

Risk management

The primary objective of the Company's Capital Management is to maximise shareholder value. The Company monitors capital using Debt-Equity ratio, which is total debt divided by total capital.

For the purposes of the Company's capital management, the Company considers the following components of its Balance Sheet to be managed capital:

INDEPENDENT AUDITOR'S REPORT (CONSOLIDATED ACCOUNTS)

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PCS TECHNOLOGY LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion:

We have audited the accompanying Consolidated financial statements of PCS TECHNOLOGY LIMITED (hereinafter referred to as "the Holding Company") and its subsidiary companies (the Holding Company and its subsidiary companies together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (Including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including summary of the significant accounting policies and other explanatory information (the Consolidated financial statements).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of the subsidiary companies referred to in the 'Information other than the Consolidated Financial Statements and Auditor's Report Thereon' below, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated State of Affairs of the Group as at 31st March 2020, and its Consolidated Profit, Consolidated Total Comprehensive Income, Consolidated changes in equity and consolidated cash flows for the year ended.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

PCS TECHNOLOGY LIMITED

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's and Board of Directors of the Holding Company use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

6. Obtain sufficient appropriate audit evidence regarding the financial results/ financial information of the entities within the Group and its subsidiary companies to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled "Information other than the Consolidated Financial Statements and Auditor's Report Thereon" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Annexure A to the Independent Auditors' Report on the consolidated financial statements of PCS TECHNOLOGY LIMITED

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph A(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date).

Opinion

In conjunction with our audit of the consolidated financial statements of PCS TECHNOLOGY LIMITED ("the Holding Company") as of 31 March 2020, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date.

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies, have, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The respective company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included

obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

THIRTY NINTH ANNUAL REPORT 2019-2020

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

1. **CORPORATE INFORMATION**

The Company along with its subsidiaries, cumulatively known as "The Group". The Group is engaged mainly in IT and related FMS services. The parent Company is a public listed company incorporated and domiciled in India and the subsidiaries are public unlisted companies incorporated and domiciled in respective countries. The financial statements of the Group for the year ended 31st March 2020 are approved by the Board of Directors in Board Meeting.

2. **SIGNIFICANT ACCOUNTING POLICIES**

(A) **Statement of Compliance**

- (i) In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "IndAS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from 1 April, 2017. Previous periods have been restated to IndAS. The standalone financial statements as at and for the year ended 31 March 2020 are approved and authorized for issue by the Board of Directors on 22nd June 2020.

The standalone financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial assets and financial liabilities that have been measured at fair value. These standalone financial statements are presented in lakhs of Indian rupees which is also the Company's functional currency, except per share data and as otherwise stated. Figures for the previous years have been regrouped/rearranged wherever considered necessary to conform to the figures presented in the current year.

These financial statements have been prepared in accordance with IndAS as notified under the Companies (Indian Accounting Standards) Rule, 2015 read with Section 133 of the Companies Act, 2013.

(B) **Basis of preparation**

These financial statements have been prepared on the historical cost basis, except for

- (i) certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.
- (ii) Defined benefit plans - plan assets measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(C) **Use of estimates and judgements**

The preparation of these financial statements in conformity with the recognition and measurement principles of IndAS requires the management of The Group to make estimates and assumptions that affect the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities.

Dividend Declaration

Dividend on Preference Shares has been declared by the company on the basis of sec 123 of the companies act 2013.

Impairment of investments

The Group reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

The company in total has invested aggregating to Rs. 2264.30 lacs in bonds in the earlier years(31st March 2019). However, due to external factors arising during the quarter ending 30th September 2019, 31st December

2019 and 31st March 2020 there is a sharp decline in the market price / realisable value of some of its investments. There is a foreseeable possibility of realising an amount (recoverable amount) much lower than carrying value. On the grounds of such external factors, the excess of carrying value over recoverable amount of Rs 328.85 lacs for the quarter ended 30th September 2019, and Rs 27.20 lacs for the quarter ended 31st December 2019 and Rs 124.44 lacs for the quarter ended 31st March 2020 totalling to Rs 480.49 lacs for the year ended 31st March 2020 is accounted as "Exceptional item". Exceptional items for the year ended 31st March 2019 includes loss of Rs 200 lacs on intercorporate deposit on the basis of management assessment.

Useful lives of property, plant and equipment

The Group reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Valuation of deferred tax assets

The Group reviews the carrying amount of deferred tax assets at the end of each reporting period. A deferred tax asset shall be recognised for all deductible temporary differences and unused losses to the extent that it is probable that taxable profit will be available against which the deductible temporary difference and unused losses can be utilised.

Provisions and contingent liabilities

A provision is required when The Group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of The Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

CSR Provisions

The company is not required to make CSR provision for the year ended 31st March 2020 as per the provisions of the sec 135(5) of the companies act 2013.

The COVID -19 pandemic is rapidly spreading throughout the world. The operations of the Company were impacted, due to shutdown of offices following nationwide lockdown by the Government of India. The Company shall resume operations in a phased manner as per directives from the Government of India. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at 31st March 2020. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.

(D) **Revenue recognition**

The Group earns revenue primarily from providing information technology and consultancy services, including services under contracts for software development, implementation and other related services, licensing and sale of its own software, business process services and maintenance of equipment. The Group also sales the products ancillary to supply of above services.

PCS TECHNOLOGY LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

The Group recognises revenue as follows:

Revenue from sale of services is recognized for the work completed in terms of the contract. Income from maintenance contracts is recognized on a time proportionate basis.

Revenue from sale of products is recognized when risk and reward are passed on to the customer which is generally on dispatch of goods.

Revenues is reported net of discounts, indirect and service taxes.

(E) Dividend income is recorded when the right to receive payment is established. Interest income is recognised using the effective interest method.

(F) Leases

No assets are taken on lease by The Group.

(G) Cost recognition

Costs and expenses are recognised when incurred and have been classified according to their nature.

The costs of The Group are broadly categorised in employee benefit expenses, depreciation and amortisation and other operating expenses. Employee benefit expenses include employee compensation, allowances paid, contribution to various funds and staff welfare expenses. Other operating expenses mainly include fees to external consultants, cost of running its facilities, travel expenses, cost of equipment and software licenses, communication costs, allowances for delinquent receivables and advances and other expenses. Other expenses is an aggregation of costs which are individually not material such commission and brokerage, recruitment and training, entertainment etc.

(H) Foreign currency

The functional currency of the parent company and its Indian subsidiaries is Indian Rupee (INR) and functional currency of overseas subsidiaries is the local currency of the country where the same is incorporated .

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit & Loss.

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

(I) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and Deferred taxes are recognised in Statement of Profit & Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income taxes

The current income tax expense includes income taxes payable by the parent company and its all subsidiaries. The current tax payable by the Company in India is Indian income tax payable on worldwide income.

Advance taxes and provisions for current income taxes are presented in the Balance Sheet after off-setting advance tax paid and income tax provision arising in the same jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred income taxes

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

(J) Financial instruments

Financial assets and liabilities are recognised when The Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of The Group after deducting all of its liabilities. Equity instruments recognised by The Group are recognised at the proceeds received net off direct issue cost.

(K) Investment in subsidiaries

Investment in subsidiaries are measured at cost less impairment.

(L) Property, plant and equipment

Property is stated at fair value less accumulated depreciation (other than freehold land) and impairment loss, if any.

Plant and equipment are stated at cost, less accumulated depreciation (other than freehold land) and impairment loss, if any.

THIRTY NINTH ANNUAL REPORT 2019-2020

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

Depreciation is provided for property, plant and equipment so as to expense the cost over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

SN	Type of asset	Method	Useful lives
1	Buildings	Straight line	60 years
2	Leasehold improvements	Straight line	38 years
3	Plant and equipment	Straight line	15 years
4	Computer equipment	Straight line	03 years
5	Vehicles	Straight line	08 years
6	Office equipments	Straight line	05 years
7	Electrical installations	Straight line	10 years
8	Furniture and fixtures	Straight line	10 years

Assets held under finance lease are depreciated over the shorter of the lease term and their useful lives.

On 28th December 2011, The Group has revalued its office premises located in Technocity, Navi Mumbai, on the basis of a Government approved valuer. Consequently increase in value of Rs.87,705,187 is transferred to Revaluation Reserve Account.

Depreciation is provided on the revalued amount at the rates calculated as per straight line method over the residual life of revalued assets, as certified by the Government approved valuer. At the rates and in the manner as specified in Schedule II of the Companies Act, 2013. Individual items of Fixed Assets added during the year costing upto Rs.5,000 each are fully depreciated in the first year.

(M) Intangible assets

Intangible assets purchased are measured at cost as of the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

(N) Impairment

Financial assets (other than at fair value)

The Group assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. IndAS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Financial assets (other than at fair value)

Tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (of CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (of CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

(O) Employee benefits

Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Statement of Profit & Loss for the period in which they occur. Past service cost both vested and unvested is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined obligations reduced by the

fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

Defined contribution plans

Contributions to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the Balance Sheet date.

(P) Inventories

Company has Stock & Spare items on hand as inventory. Inventory is carried at the lower of cost and net realisable value. Cost is determined on a weighted average basis.

(R) Borrowing costs:

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of cost of such asset till such time as the asset is ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(S) Foreign currency transactions:

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities are translated at year end exchange rates. Exchange difference arising on settlement of transactions and translation of monetary items are recognized as income or expenses in the year in which they arise.

Transition to Ind AS

The Group has opted to continue the Accounting Policy availed under para 46 A of Accounting Standard - 11 'The effects of changes in foreign currency rates' of IGAAP inserted vide notification dated December 29, 2011 issued by Ministry of Corporate Affairs, Government of India. Paragraph D13AA of Ind AS 101 allows an entity to continue this Accounting Policy availed under IGAAP for all outstanding long-term foreign currency monetary items as on March 31, 2016. Consequently, foreign exchange difference on account of long - term foreign currency borrowings utilised to acquire a depreciable asset is adjusted in the cost of the depreciable asset, which will be depreciated over the balance life of the asset.

The Group has opted the exemption vide para D12 of ind AS 101, accordingly the cumulative translation difference for all foreign operation are deemed to be zero at date of transition to Ind AS.

(T) Earnings per share

Basic earnings per share are computed by dividing profit or loss attributable to equity shareholders of The Group by the weighted average number of equity shares outstanding during the year. The Group did not have any potentially dilutive securities in any of the years' presented.

Diluted earnings per share are computed by dividing net profit net profit attributable to the equity holders of The Group by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares unless the results would be anti - dilutive. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Contributed equity:

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds

(U) Exceptional Items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of The Group is such that its disclosure improves the understanding of the performance of The Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

i) Asset volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk. The Company has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The Company intends to maintain the above investment mix in the continuing years.

Expected contributions to post-employment benefit plans for the year ending March 31, 2020 is NIL

The weighted average duration of the defined benefit obligation is 5 years (2015-16: 5 years). The expected maturity analysis of gratuity is as follows:

Particulars	Total
Defined benefit obligation (gratuity)	
As at March 31, 2020	3,399,924.00
As at March 31, 2019	3,177,281.00

b) Defined contribution plans:

Amount of Rs.1,65,987 (March 31, 2019: Rs.69,520) is recognised as expense and included in the Note 25 'Salary and Wages'.

c) Provident fund:

The Company makes monthly contribution to Government approved Provident Fund.

d) Compensated absences amount of Rs.1,07,642 (March 31, 2019: Rs.1,59,860) is recognised as expense and included in the Note 25 "Salaries & Wages"

Fair Value Hierarchy

This section explains the judgement and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

i) Financial assets and liabilities which are measured at amortised cost for which fair values are disclosed at March 31, 2020

Particulars	Notes	Level 1	Level 2	Level 3	Total

Total financial liabilities		-	-	37,178,104.00	37,178,104.00

There were no transfers between any levels during the year:

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing net assets value (NAV).

Level 2:

The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
- the fair value of forward foreign exchange contracts are determined using forward exchange rates at the Balance Sheet date

THIRTY NINTH ANNUAL REPORT 2019-2020

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

- iv) the fair value of foreign currency option contracts is determined using the Black Scholes valuation model.
v) the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 1 and 2.

c) Valuation processes

The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO).

d) Fair value of financial assets and liabilities measured at amortised cost

Particulars	As at March 31, 2020		As at March 31, 2019	
	Carrying amount	Fair value	Carrying amount	Fair value
Financial assets:				
Loans to subsidiary companies	-	-	-	-

Total financial liabilities	42,300,000	39,952,168	42,300,000	39,662,846

The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with more than 12 months maturity, capital creditors and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

38 CAPITAL MANAGEMENT

Risk management

The primary objective of the Company's Capital Management is to maximise shareholder value. The Company monitors capital using Debt-Equity ratio, which is total debt divided by total capital plus total debt.
